## Keeping The Pressure On

## Message from the Chairman . . .

ON behalf of the Manx Amateur Athletic Club, it is my privilege and pleasure to extend a warm welcome to all competitors and spectators.

This year a few changes have taken place. The Prize Presentation venue has been moved to the Sea Terminal, and the course's have been altered (hopefully to improve the Festival). Also this will be the last year the Relay will be held on Douglas Promenade.

Please remember this is your Festival and any constructive ideas on improving the Festival in any way will be made welcome and noted.

Next year will be the 25th Festival and also the Club's 40th birthday (21st April, 1987) so I extend to you all an invitation to the biggest Birthday and Anniversary party ever.

I would like to take this opportunity to thank the many sponsors for their support, without which this event could not take place.

Also to Athletes, Spectators and Helpers, a sincere thankyou for your support. I hope you all have a sporting weekend, make new friends and to our visitors enjoy our beautiful Island.

Thankyou.

**GRAHAM DAVIES, Chairman Manx A.C.**

There isn't a branch up Squeezer's Glen . . .

But it seems no matter where  
you turn there is  
one to suit  
your needs

The Lady Isabella started turning 130 years ago. Today she's no more than a magnificent piece of industrial archaeology for late 20th century tourists to wonder at.

The Isle of Man Bank is nearly as old, but unlike the Laxey Wheel, it still does a vital job of work in the world it was created for. It oils the wheels of the Manx economy – and the personal economies of thousands of individual customers.

It is the powerhouse of business development in agriculture, tourism and industry, and of home improvements and mortgages. It keeps on turning for newly-weds, the family man, youngsters in their first jobs or coping with the problems of student life and people on the verge of retirement. Its sweep embraces foreign business, personal loans, taxation, budget accounts, savings, executorships, investment management, insurance and pension plans.

But you want to know where Squeezer's Glen is. The Isle of Man Bank could tell you, even if it doesn't have a branch there.

# REVOLUTIONARY WHITE KNIGHT

uPVC DOUBLE GLAZING SYSTEM

**Y**our quest for the best is over!

This is the double glazing breakthrough you've been waiting for. Anglian have developed a unique system in brilliant white uPVC which incorporates many important aesthetic and structural improvements. We've called it White Knight, it's exclusive to Anglian.

- ▶ **WHITE KNIGHT is strong.** All larger windows incorporate aluminium strengthening bars within the insulated frame.
- ▶ **WHITE KNIGHT** frames have bevelled edges which make them distinctly **more attractive** while appearing **slimmer** than standard uPVC.
- ▶ **WHITE KNIGHT** has an increased frame width providing an accurate replacement of the original timber frame for a **neater installation.**
- ▶ **WHITE KNIGHT** has advanced weather seals which give greater **wind and rain protection.**
- ▶ **WHITE KNIGHT** has an improved thermal break and a wider air gap to **increase heat and sound** insulation efficiency.
- ▶ **WHITE KNIGHT** increases home security with a virtually foolproof locking system and **internal glazing**, preventing the glass being removed.
- ▶ **WHITE KNIGHT** is 100% British made. The uPVC is extruded in our own factory which means greater **quality control and better value.**
- ▶ **WHITE KNIGHT** carries Anglian's legendary **10 year warranty** covering product and workmanship.
