

The Isle of Man sits in the middle of the Irish Sea and boasts outstanding natural beauty. Every Easter the Island plays host to an athletic festival that offers runners something a little bit different.

During its 45 year history, the Isle of Man Easter Athletics Festival has built up a great reputation, attracting runners and clubs from up and down the country. The friendly nature of the event (not to mention the fine ales the Island proudly produces) attracts a wide range of athletes of all abilities and backgrounds.

We think that the dramatic scenery, fantastic people, and good racing will add up to a unique experience. These (genuine) comments from 2006 Athletics Festival visitors sum it up pretty well...

We all really enjoyed the festival. I think most of us who came from Liverpool will be back next year, hopefully we will also have a much bigger team. *(James, Liverpool)*

Just wanted to say a huge thank you to you and all the people involved in organising this weekend! All of us from Manchester had an amazing weekend and will be back next year in full strength to beat HBT in the running and retain the drinking title! *(Helen, Manchester)*

I would like to give the Manx Harriers and everyone involved in the festival a huge thanks for the hospitality - and for all the effort for such a great weekend, I can hardly walk now dude! Loved it, and GUHH will definitely be back *(Rory, Glasgow)*

Thanks for a really good weekend. Everyone in our party really enjoyed themselves and are already planning on returning next year. We're going to try and get a bigger party over next year. *(Laura, Liverpool)*

The most interesting, beautiful 10k I have ever done. *(Robert, Leeds/DOSS AC)*
